A VOICE FROM THE PEOPLE

THE GREATEST CURATIVE SUCCESS

No medicine introduced to the public has ever met with the success accorded to Hop Bitters. It stands to-day the best known curative article

FRIENDLESS.

Delevan, Wis., Sept. 24, 1880.

Gents -I have taken not juite one bottle of the Hop
Bitters. I was a feeble old man of 78 when I got it.
To-day I am as active and feel as well as I did at 30. I
see a great many that need such a medicine.

Monroe, Mich., Sept. 25, 1875.

Sirs—I have been taking Hop Bitters for inflammation of the kidneys and bladder; it has done for me what four docters falled to do—cured me. The effect of the Bitters seemed like magic.

If you have a slek friend, whose life is a burden, one bottle of Hop Bitters will restore that friend to perfect health and happiness.

Bradford, Pa., May 8, 1881.

"It has cured me of several discases, such as nervousness, sickness at the stomach, monthly troubles, &c. I have not seen a sick day since I took Hop Bitters."

MRS. FANNIE GREEN.

Evansville, Wis., June 24, 1882.

Gentlemen — No medicine has had one-half the sale here and given such universal satisfaction as your Hop Bitters have. We take pleasure in speaking for their welfare, as every one who tries them is well satisfied with their results. Several such remarkable cures have been made with them here that there are a number of carnest workers in the Hop Bitters cause. One person gained eleven pounds from taking only a few bottles.

Bay City, Mich., Feb. 3, 1889.

D. A. Platt, Treater of Chronic Diseases,
I heard in my neighborhood that your Hop Bitters was
doing such a great deal of good among the sick and
afflicted with most every kind of disease, and as I had
been troubled for fifteen years with neuralgia and ali
kinds of rheumatic complaints and kidney trouble, I took
one bottle according to directions. It at once did me a
great deal of good, and I used four bottles more. I am
noid man, but am now as well as I can wish. There
are seven or eight families in our piace using Hop Bitters
for their family medicine, and are so well satisfied with
it they will use no other. One hady here has been bedrid-len for years, is well and doing her work from the use
of three bottles.

HONEST OLD TIM.

Genta—Whoever you are, I don't know; but I fee grateful to you to know that in this world of adulterate medicines there is one compound that proves and doe all it advertises to do, and more. Four years ago I had slight shock of palsy, which unnerved me to such an extent that the least excitement would make me shak like the agne. Loat May I was induced to try Hop lift ters. I used one 'oftle, but did not see any changes another did so change my nerves that they are now a steady as they ever were. ANNA MARIA KRIDER, wife of TOBIAS K.

This is to let the people know that I, Anna Maria Krider, wife of Tobias Krider, am now past seventy-four years of age. My health has been very bad for many years past. I was troubled with weakness, bat cough, dyspepsia, great debuilty and constipation of the lowels. I was so iniscrable I could eat nothing. I heard of Hop Ritters and was resolved to try them. I have only used three bottles, and I feel wonderful good, well and strong again. My bowels are regular, my appetite good, and cough game. I think It my duty to let the people know how bad I was and what the medicine has done for me, so they can cure themselves with it.

so they can cure themselves with it.

My wife was troubled for years with blotches, moth patches, freekles and pimples on her face, which heariy annoyed the life out of her. She spent many dollars on the thousand infallible (I) cures, with nothing but injurious effects. A lady friend, of Syracuse, S. Y., who had had similar experience, and had been cured with Hop litters, induced her to try it. One bottle has made her face as smooth, fair and soft as a child's and given her such health that it seems almost a miracle.

A Mamber of Canadian Parliament.

I travelled all over Europe and other foreign countries at a cost of thousands of dollars in search of health and found it not. I returned discouraged and disheartened, and was restored to real youthful health and spirits with less than two bottles of Hop Bitters. I hope others may profit by my experience and stay at home.

A LADY, Augusta, Mc.

A Lady, Augusta, Mc.

I had been sick and miserable so long, causing my husband so much trouble and expense, no one knowing what alled me. I wasse completely disheartened and discouraged that I got a bottle of Hop Bitters and used them onknown to my family. I soon began to improve and gained so fast that my husband and family thought it strange and unnatural, but when I told them what had helped me, they said, "Hurrah for Hop Bitters! long may they prosper, for they have made mother well and us happy."

IA Recent Cure of Scrofulous Sores.

"Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and in-flamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AVER'S SAR-SAPABILLA, of which I have now taken three bottles, with the esult that the sores are healed and my general health greatly mproved. I feel very grateful for the good your medicine has done me.

Yours respectfully. 148 Sullivan-st., New-York, June 24, 1882.

Wilds, of 78 East 54th street, New-York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Saranparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on The Boston Herald, B. W. BALL of Rochester, N. H., writes, June 7, 1882: " Having suffered severely for some years with Eczema.

and having failed to find relief from other remedies, I have made use, during the past three months, of AYEN'S SARSAPA BILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Gents -I desire to express to you my thanks for your wonderful Hop Bitters. I was troubled with Dyspepsia for five years previous to commencing the use of your Hop Bitters some six months ago.
